## Welcoming

## the Class of 1987

While the upperclassmen were enjoying the last days of summer, the incoming freshmen were busy moving into dorms, meeting faculty and administration members, attending workshops and touring the campus and library.

Orientation was not all work though. The DSG sponsored a picnic enabling the new students to get acquainted.

## Fall Frolics

"Kaplan's Corral" and "John B's Ranch" mysteriously appeared one fall day. It was meant as a comic protest of the utilization of UNH funds to install split-rail fences to beautify the campus.

## Greetings on the Green

The Greater New Haven Chamber of Commerce sponsored the fourth annual "Greeting on the Green" to welcome incoming freshmen from ten area colleges.

Exhibits introduced the new students to the variety of activities New Haven has to offer. Games, clowns, balloons, a disc jockey, food and prizes made the day a success.

Queen Audrey Slattery and King John Steinbier reigned over the homecoming festivities. After being crowned at the Alumni Luncheon, they rode on the winning bed in a parade following the Bed Race. The homecoming court was composed of Joyce King and David Schor, Franella Smith and Chris Confrey, and Heidi Stegemann and Bob Leonardi.

## Class of '33 Comes Home

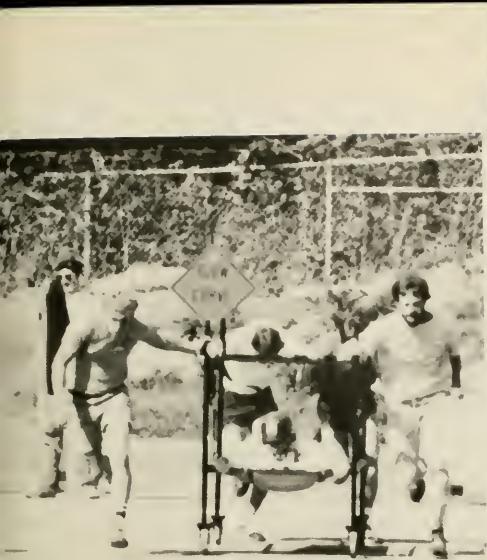

The Class of '33 gathered during homecoming to celebrate their 50th reunion. They were honored at an Alumni Buffet Luncheon and later at the Alumni Reception in the new School of Business building.

## ASME Led in Bed ... (Race)

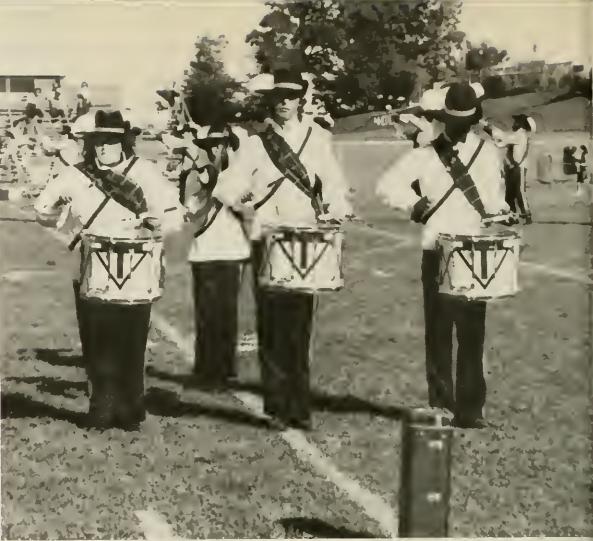

Engineering students took first place in the annual Alumni Homecoming Bed Race '83. Using a bed they designed and built themselves, the engineers swiftly crossed the finish line ahead of the Public Relations Department, Delta Chi, and the Chariot Yearbook entries. Dressed as Roman charioteers, the Yearbook won first place for originality.

Bed Race 25

Football, marching bands and tailgate parties are all part of the homecoming tradition. While the Chargers tackled C.W. Post in a close game, losing 20-14, A.S.M.E. hosted a tailgate party.

## The Homecoming Tradition Continues

## Halloween Hop is a Hit

Costume-clad students rocked to the music of the Stompers and FX at the DSG Annual Costume Party. Brian McKeegan walked off with first prize for his version of "Mr. Robot", while the UNH Cheerleaders dressed as "Smurfs and Smurfettes" winning the Funniest Costume Award. The Most Original Costume prize went to Doreen Ouellette and Michele DeFilippo as "Popeye and Olive Oyl".

## For an Unsung Heroine

In celebration of Clare Day students and faculty joined together, with the help of flowers, cake and a gorillagram to thank "Clare" Sorcinelli, DSG Secretary, for all her help, moral support and for just being "Clare".

Clare Day 33

## The Outrageous Obstacle Course

The Outrageous Obstacle Course was hosted by the Day Student Government. It was played in the Student Center Cafeteria by a number of brave UNH students, faculty, administrators and other university workers. There were teams of four members and an entry fee was collected. All proceeds went to benefit the "United Way."

## Our Girls Head to NEBraska

The Crazy Charger Club and the Social Committee sponsored a going away party and pep rally for the Women's Volleyball Team. Free soda and popcorn were available along with decorative white and blue helium balloons. There was also dance music being spun by DJ's Cathy Bianchi and Maryanne Garry. The Crazy Charger Club also sponsored a banner contest and all entries were taken to Nebraska with the team.

On November 18, 1983 the School of Business was the scene for an exquisite seven course French style dinner. The dinner was held in honor of "His Excellency Ambassador Kenneth Taylor". Taylor was instrumental in aiding the escape of American hostages from the U.S. Embassy in Iran. Donald Maxwell Ponniah and Lamine Sylla hosted the dinner as a three-credit class assignment. Many other hotel restaurant students participated in the preparation and serving of this quite elegant dinner.

## One Spring Evening

This year's Semi-Formal was quite an extravagant affair. The dull cafeteria was turned into a ballroom busting with fun. Everyone enjoyed the good music and the delicious dinner. The atmosphere of the gala affair was very comfortable and that of good spirits. Many compliments to the hostess — Heidi Stegemann. A job well done!

## Cultural Extravaganza

## Chi Kappa Rho

## Fashion Show and . . .

A touch of class was this year's theme for Chi Kappa Rho's Fashion Show and Card Party. The spring fashions for the ladies came from Foxmoor and the men's fashions came from Mario and Joseph. As with every year, bridal fashions gave the finishing touch to the show. Afterwards many prizes were given out at the annual card party.

## May Days are Here Again

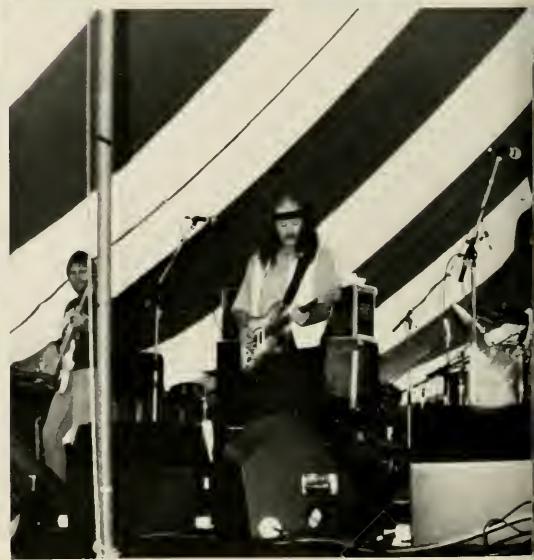

In spite of pouring rain there was a large turnout to rock to the music of The Outlaws, Beaver Brown and NRBQ, and partake of the beer and huge quantities of food provided by various clubs. Many students released their end-of-the-semester tensions in the Car Smashing Contest sponsored by the Communications Club. The DSG's 1929 Mercedes-Benz SSK Sports Roadster Replica, won by Denis Hale, was on display.

## And the Bands Play on May Day II

Even the sun turned out for the May Day II picnic sponsored by the Residence Council. The campus main lawn came alive to the sounds of B. Willie Smith and the Fabulous Heavy Weights while students, taking a break from the books, relaxed with hot dogs and beer from the Rat.

## New Facilities to Meet Rising Demand

On October 2, 1983 UNH's expansive, new classroom building became the new home of the School of Business. Facilities include: an auditorium, art studios, biology and forensic science laboratories and an art gallery.

At the dedication ceremony, the honorable Bruce A. Morrison (Dem.-Ct.) commented, "... the University of New Haven has created a goal for the metropolitan community ... to educate students with an aptitude toward today's business demands."

Mrs. Evelyn Sherwood

---

As the 1983-1984 academic year draws to a close, one of our dearest and most dedicated secretaries will be ending her long career with the university to begin her well deserved retirement.

Mrs. Evelyn Sherwood, secretary to the Financial Aid Department at the University has been employed since June of 1966, making this her "18th" year on our campus.

According to Mrs. Sherwood, her dedication and commitment stems from the enjoyment she attains from working with students. Mrs. Sherwood lives in Orange, Connecticut with her husband, Henry. She has three children and five grandchildren. The University of New Haven will surely miss Mrs. Sherwood! We all wish her a happy and healthy retirement!

Mr. Santiago Malave

---

Santiago Malave, better known as "Sandy", began his retirement in December of 1983.

Sandy has been employed by the University since September of 1965. For the past 18 years, Sandy has been servicing the student center and all University students, faculty and administration with his warm and friendly smile.

Presently, Sandy is living with his wife, Mariana in North Haven. The Malave's have two children, one son, Santiago Jr. and a daughter, Carmel.

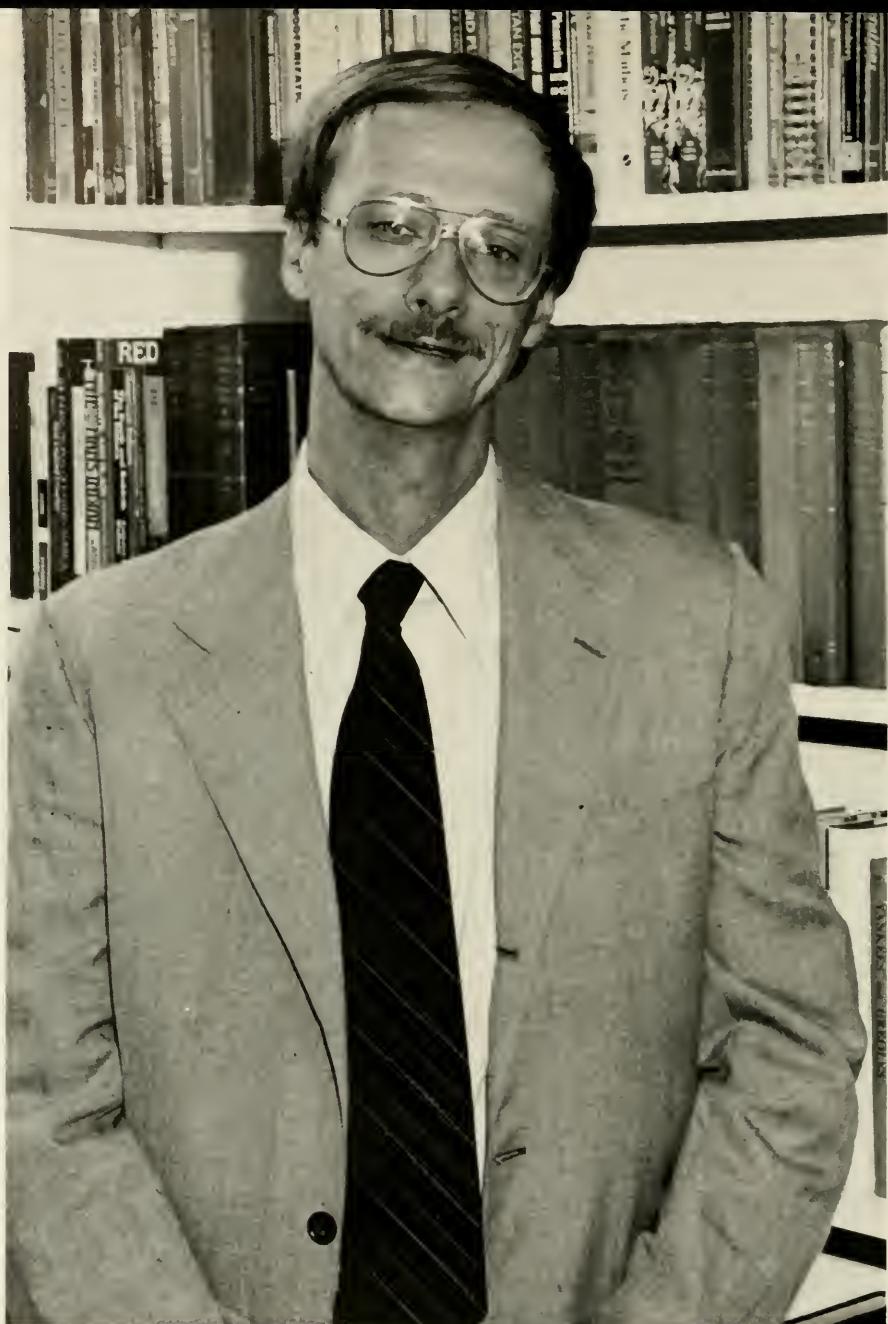

We miss Sandy already and we wish him the best in his retirement!

### *TO THE GRADUATES*

*Please accept my warmest congratulations upon the completion of your education at the University of New Haven. It is my hope that you found your educational experience at the University rewarding and valuable and that these years will prove to be some of the most formative years of your life. I also hope that your education becomes the foundation upon which your careers and values are based. Your education should provide you with a critical cast of mind in the sense of a capacity to test and challenge previous assumptions and new ideas, a sensitivity to weigh ethical and moral issues, and enable you to obtain rewarding and productive employment in a complex and technological society.*

Well, what can I say. It's been a great, great year. We made our first deadline and our last deadline and all the others in between — ON TIME!!! What a great bunch of charioteers (corny, huh?)!

I would like to take this opportunity to thank all of the people who helped myself and the staff put together and complete this yearbook. First, I must thank my representative from Delmar Co., Brian Hawthorne. This past year you have contributed so, so much to the Chariot — if it wasn't for your special touches and your "magic", our yearbook wouldn't be so special. Thanks for the physical labor of putting together our pages and most of all for putting up with my crazy and weirdo moods. I feel as if you have been a part of our staff all year and you have become a dear, dear friend.

Next on my list is our photography company, Delma Studios. A special thanks to John DeGarmo and Gerry Schneider for always being there when I needed them, for rushing our portraits and candids and for being so helpful.

There are also those people who provided me with important info and for being there when I needed a shoulder to cry on. Thanks to: Nancy Carroll, Peggy, Mr. Macionus, Noel Tomas and Public Relations, Mrs. Levitsky, Lila Wolf-Wilkinson, Dr. Staugard, Eric McDowell, Bill Parker, Becky Johnson and my dear friend, Claire.

Well, I must commend my staff for doing a job well done. Thanks, Andrea, Michele, Janet, Jim, Devika, Barbara, Max, Liz, and Pete. Thanks guys & gals! Then there's my editors. Without them I could have not functioned and they made the yearbook what it is. Linda — you added copy to our yearbook and indeed you did! You have been quite an inspiration to me with all of your enthusiasm and motivation. I would also like to extend my thanks to your husband, Mike. Thanks for putting up with us! And then there's my Business & Ad Editor, Sue. Sue, you made the 1984 Chariot professional. With your loyalty and dedication you made our yearbook both memorable and quite special. Thanks Sue — QUACK, QUACK! Oh yes, Val — we've grown together this year and we made it work! I'll always remember our last minute brainstormers and the way we used to fight like cats and dogs! May you have as much success and satisfaction as I have had this past year as Editor. I wish you the best and I'll be there always, I'm just a RUFF away.

And of course, my special, special thanks to my advisor, Kelly Ryan Maltz. You were a great teacher and a best friend. Without you at my side I would have lacked the confidence needed and the skills and patience in putting this yearbook together. Thanks Kel.

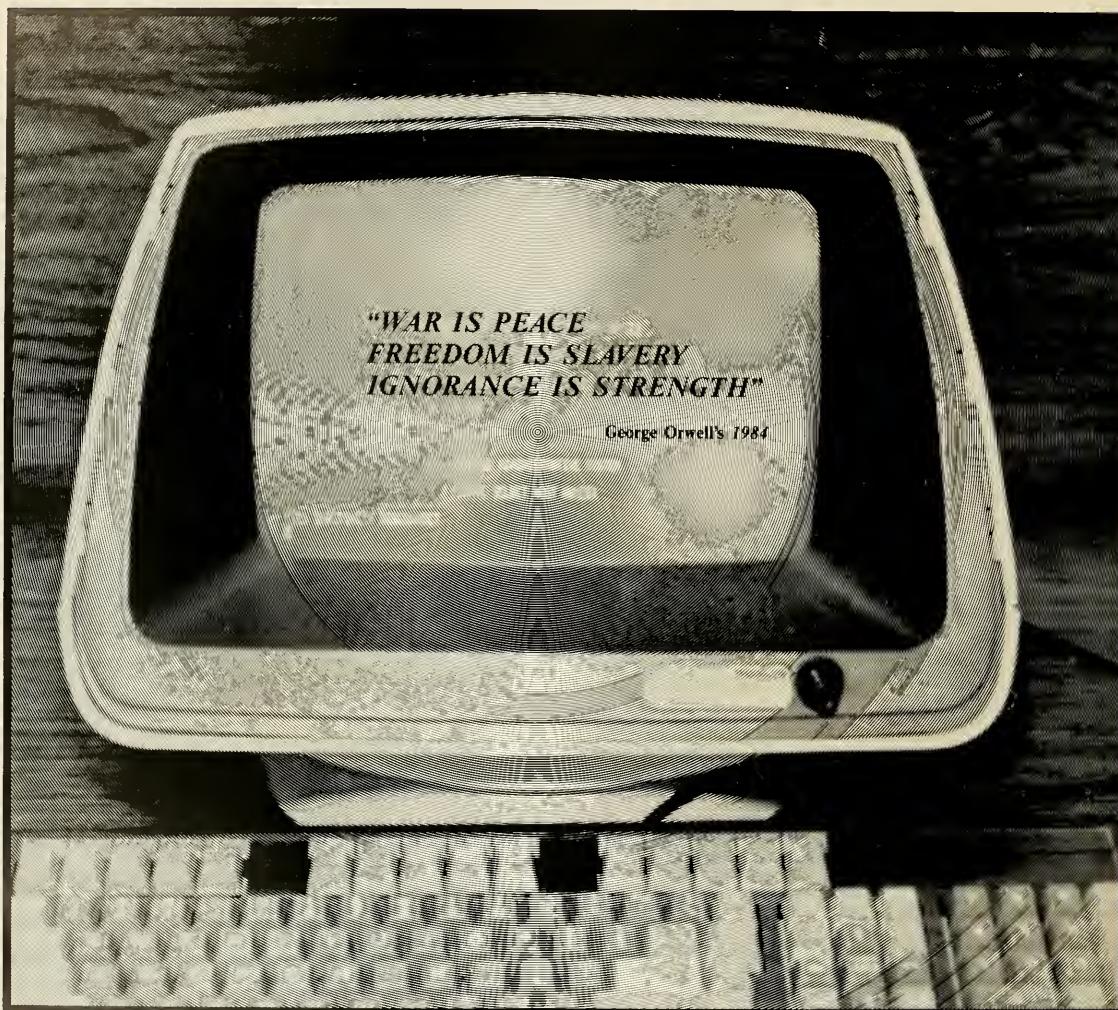

Last but certainly not the least is one very special and wonderful man who has been behind me always — giving me advice, encouraging me to keep working at it and understanding when I came home late at night. And most of all Mickey, thanks for being you MEW, MEW!

In closing, I wish my friends of the Class of 1984 much success and happiness. And to all other students, faculty, administration, and friends at UNH — HERE'S TO 1985!!!

P.S. One last thanks, THANKS MOM FOR BEING YOU!  
AND MEW MEW MEW KITTY!!
